## HOËRSKOOL SILVERTON NEWSLETTER

*2026 Academic Theme: Silvies@60: Honour the past, shape the future*

Dear Parents/Guardians, Staff and Learners,

As we continue to build a culture of excellence in 2026, we thank you for the consistent support you give our school. We particularly acknowledge and appreciate parents/guardians who ensure that learners:

- arrive at school on time – by 07:25,
- attend school daily, and
- are dressed according to the Learner appearance code (as contained in the Learner Code of Conduct).

Your partnership strengthens discipline, learning, and pride in our school.

### **Term 1 Test Series begins next week**

In the coming week, the Term 1 Test Series will commence. We remind all parents/guardians and learners that formal assessment rules and regulations apply to all formal assessment tasks.

Parents/guardians and learners are kindly requested to use this weekend to refresh and remind yourselves of the assessment expectations, so that every learner approaches the test series prepared, focused, and confident.

### **Good luck to our athletes**

We wish all our athletes everything of the best as they participate at Hoërskool C.R. Swart this afternoon. We are proud of you—represent Hoërskool Silvertown with excellence, discipline, and sportsmanship.

### **Saturday classes continue**

Please note that Saturday classes will continue tomorrow, as per the schedules shared with the respective grades via Grade Guardian.

Kindly take note of the following expectations:

- Learners must attend in full school uniform.
- Once learners are inside the school premises, they will not be allowed to leave.
- Learners may only leave after their lesson has ended.

Thank you for supporting teaching and learning beyond the normal timetable.

Silvies@60 – Honour the Past, Shape the Future

## School fees appreciation

We extend our sincere appreciation to parents/guardians who have paid school fees in line with the school's School Fees Agreement. Thank you so much—your contribution assists the school in sustaining quality teaching, learning resources, and effective daily operations.

## Printing paper reminder

A reminder to parents/guardians: learners must submit printing paper to their tutor classes.

- One rim per learner per term
- Parents/guardians may also choose to purchase and submit all four rims at once.

Thank you for supporting the academic programme and the practical needs of learning.

## Motivation for learners: *Be Ready for the Test Series*

Learners, this is your moment to step up. The Term 1 Test Series is not only about marks—it is about building habits that shape your future.

This weekend:

- revise daily (even if it's a short, focused session),
- organise your notes and study material,
- practise past questions where possible, and
- go into next week with a clear mindset: "I will do my best, and I will improve."

Remember our theme: **Silvies@60: Honour the past, shape the future.**

Honour the work that has brought you this far—and shape your future through preparation, discipline, and commitment.

Yours in education,

Mathibedi-wa-Medupe
